From your Intergroup Office

Your Intergroup Office would like to thank all the volunteers who have served for the past 2 years in our Steering Committee to help steer our office. Special thanks to Maria Z., who served as our Chair person, all our Steering Committee members and our dear Trustees. We would also like to thank all of you and the groups that have contributed and supported your Intergroup Office throughout this year.

This year was a year of change and challenges....after having our office in Coral Gables for 8 1/2 years we were forced to relocate our office to another location in order to keep our office cost as low as possible.

We decided to change the format of our "When and Where" so we can print them in house as well as our newsletter "The Messenger". By leasing a copier machine that we operate from the office that helps with the cost of printing it has helped us manage the amount of prints we make on a daily basis or as it is requested.

We have welcomed 4 new groups that have opened it's doors this year: Friday Night Lights, Love Life Wynwood, Utopia and 12 Steps to Recover. We wish them all the best!

Two of the biggest club rooms that rent spaces to many A.A. groups have relocated like the Boulevard Club and The Little River Club. The relocation of these rooms forced these groups to move their meetings around.

We continuously work closely with AT&T to bring our telephone lines cost at a lower rate as well as the answering service. We also moved our service from Paychex to ADP, a payroll company for a much better service rate.

We are trying to keep our book inventory updated and with a good stock of books so we can have enough supplies to better serve the A.A. groups.

As of the end of October 2016 our Prudent Reserve was at \$12,000, an amount that we kept untouched for almost a year. This Prudent Reserve as you may know is money that should only be used in case of an emergency, but due to the lack of support and contributions lately, our Prudent Reserve has gone down to \$9,000 in order for us to cover office and payroll expenses.

Our office has tried to support all the groups to the best of our abilities by sending weekly flyers to all the groups in Miami to help unite and inform the groups of Step Meetings, Events, Potlucks, Birthdays, etc.

Also, Throughout the year we host few big events such as our Annual Intergroup Banquet, Founder's Day and the Big Service Breakfast which is a joint event with General Service, all these events require a lot of support from our membership and we are always grateful to all the people who had stepped up to the plate to make each one of these events a big success.

Having said all of this, a lot of these services we provide can not be provided as "Free". The office monthly expenses are around 5,000 to 6,000 per month. In order for us to provide you with Welcome packages, When & Where's, Weekly flyers, Monthly Newsletters and special events, we need to at least maintain such an income so all of these vital services can be provided by our office without any interruptions.

We know that many of us are going through rough times, but let's not forget what A.A. has given us...There are about 4 Intergroup Offices around U.S. that have been forced to closed their doors due to the lack of support. As you know, the Intergroup Office is the core of A.A. in receiving the first contact with the alcoholic who still suffers. If our office is not there, our question is, who will be there to answer the phones?

We would like to leave you with our Responsibility Declaration:

I am responsible....When anyone, anywhere, reaches out for help; I want the hand of A.A. always to be there.

And for that: **I AM RESPONSIBLE.....**

THE JOY OF GOOD LIVING

Understanding is the key to right principles and attitudes, and right action is the key to good living; therefore the joy of good living is the theme of A.A.'s Twelfth Step. (12 X 12 pg. 125) How appropriate it seems that there are twelve months in a year and we have twelve steps in the program. The joy of good living is the theme and it blends right in with Thanksgiving in November, and all the religious holidays in December, and is topped off with the New Year's Eve celebration.

This time of year does bring a lot of joy to most of us but it also brings distress to some of the less fortunate ones who haven't yet been blessed with the gift of sobriety and peace of mind, in and outside of A.A.

I used to be very uncomfortable about the holidays as I never knew how to act around normal people. I felt like a charity case and never got into the spirit of reaching out to others. My family always celebrated Christmas, and I always (due to My discomfort) would put a damper on it

"I used to be very uncomfortable about the holidays as I never knew how to act around normal people."

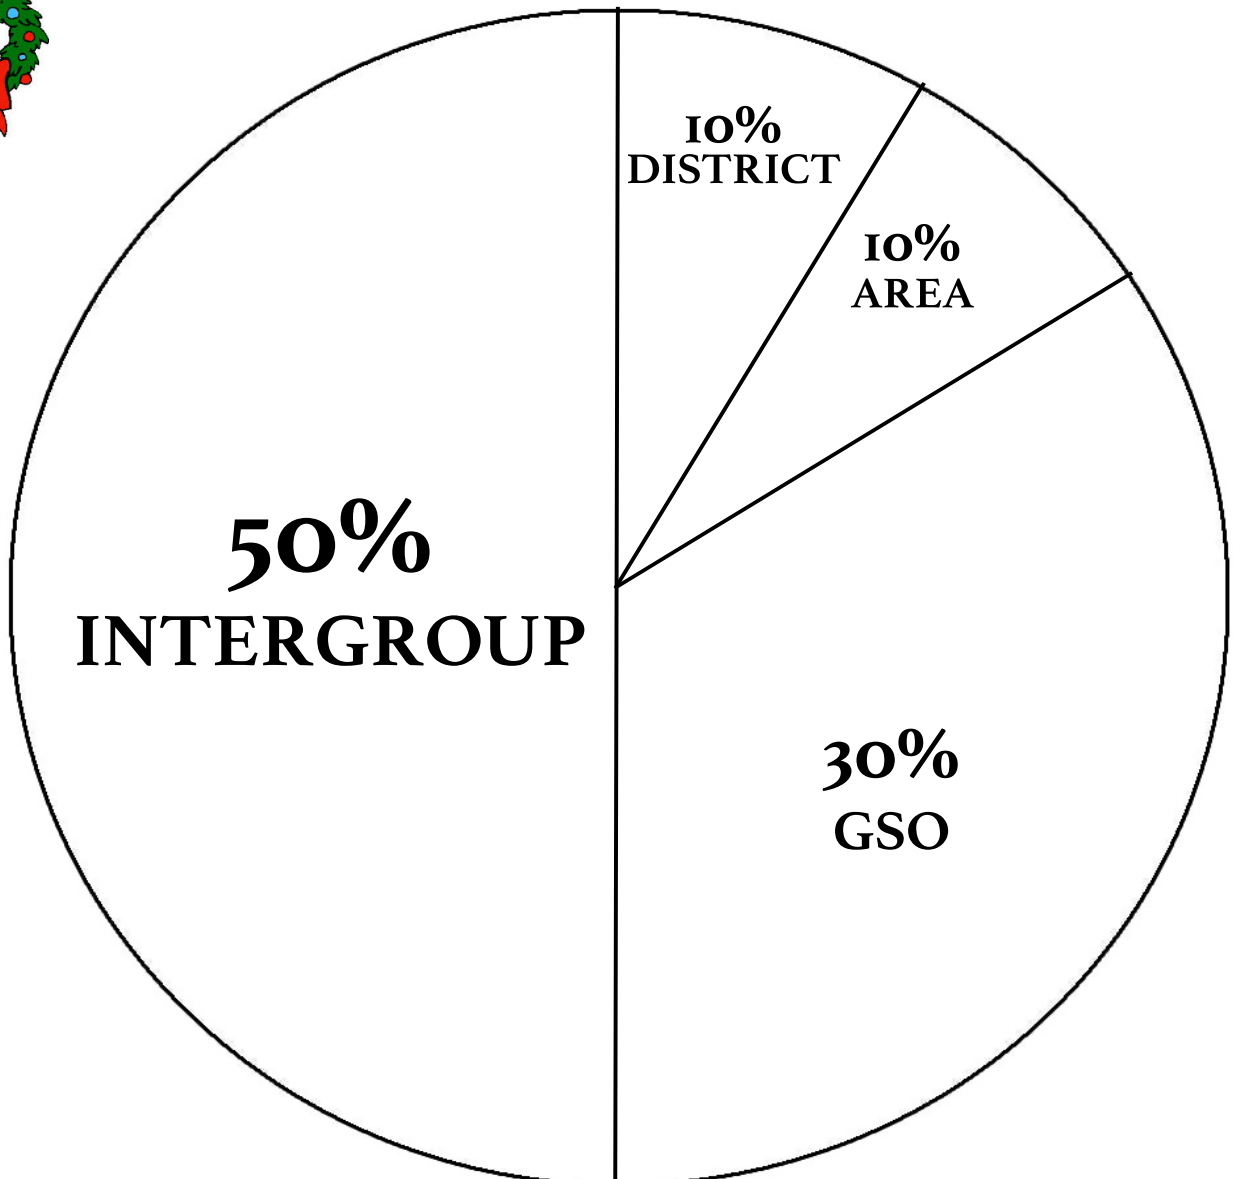

by complaining about the tacky gifts that people would buy for each other and the mad rush to go shopping and all the commercializing it had become.

I explained this to a dear friend once, and he asked, "Does the rest of the family enjoy it?" I said yes. He then said, "why don't you just take a back seat and watch the joy in their eyes as they experience these things?" I did that exact thing and have been doing it ever since and it has changed my appreciation of this time of year.

This change of attitude has inspired me to apply the unselfish lessons that I've come to understand and I spend the holiday season looking for the opportunity to brighten the lives of those less fortunate than myself. I often do these things anonymously and without fanfare. I also consider how I used to feel when I was the one on the receiving end of a charitable gesture and am very careful to do these things in a way that preserves their dignity. I don't have to wait for the holidays to do these things. Every day is Christmas at my home, and believe me when I tell you that I reap more than my share of joy.

Step Twelve: Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

Some years ago, out in Hollywood, California, I was asked to sponsor a guy named Tom. However, I declined by informing him that I was only two years sober; to which Tom replied: "Well, that's all I want!" What to do? I had been studying the Big Book step directions, so I decided it might work out if we stuck to that, maybe page by page. After all, Step Twelve doesn't say that I am to carry my message—my sponsors message—what I think message, etc., but it says to carry THIS MESSAGE—I believe that means the one in the Big Book. I was relieved to be off the hook, and proceeded full speed ahead and all worked out okay. Since, I have only one authority as a sponsor: The Big Book program of action.

Being a history-minded sort of guy, I have spent some time studying the early ingredients of the AA Program of action. A place to start was that November, 1934, "kitchen table" meeting between Ebby Thacher and Bill Wilson (page 9): "Ebby told of a simple religious idea (A vital spiritual experience), and a practical program of action (The Oxford Group's Four Absolutes and several tenets for living). Bill had the idea that his gin would outlast Ebby's preaching, but it did not—shortly thereafter Bill was back in Towns Hospital never to drink again. On Dec 14th, 1934, Bill, while lying in bed, went through the essential elements of our now Twelve Steps (Page 13).

By 1936 these ideas became what was then known as the six-step program (Read Page 263). Although similar, there were several versions of these. Bill started writing the Big book during the spring of 1938, and by December had completed the writing of all Twelve Steps. However, his manuscript was altered somewhat dramatically in January of 1939 and became our Twelve Steps of today. But guess what—it worked! We then had maybe one-hundred members, but now over two-million are staying sober by their use. Thank God I had these guidelines when I sponsored Tom so many years ago—that was back in the late 1970s.
